Établi Banque opérationnelle de la Baltique

Cette institution financière spécialisée, dont le siège se trouve dans les pays baltes, est entièrement financée par des bénéficiaires effectifs européens. Elle s'engage à fournir des solutions financières accessibles et transparentes à sa clientèle. La banque n'a aucun lien avec les clients russes.

Les principales offres de la société comprennent une variété de produits de prêt, englobant le financement de la consommation, de l'automobile et de la rénovation de l'habitat, avec des montants de prêts individuels pouvant atteindre 25 000 euros. L'accent mis sur des conditions de prêt compétitives, des structures de remboursement mensuel gérables et une politique inébranlable d'absence de frais cachés constitue un élément clé de différenciation, garantissant à ses clients des engagements financiers clairs et directs.

Au-delà de ses opérations bancaires primaires, cette institution promeut activement la responsabilité environnementale. Elle a mis en œuvre diverses pratiques durables, telles que la réduction de la consommation de papier et de plastique, l'optimisation de l'utilisation de l'énergie et la promotion d'une gestion efficace des déchets dans le cadre de ses activités.

Ses états financiers ont fait l'objet d'un audit indépendant par un cabinet international réputé.
