

Société de transformation numérique à forte croissance

MERGERSCORP

Société de transformation numérique à forte croissance

Cela représente une entreprise de transformation numérique de conciergerie de premier plan, spécialisée dans les domaines suivants : le développement de logiciels propriétaires, l'ingénierie d'applications mobiles, l'assurance qualité (QA) et l'intégration de l'intelligence artificielle (IA). L'entreprise est positionnée pour une croissance exceptionnelle, prévoyant 9,0 millions de dollars de recettes et 5,7 millions de dollars de bénéfice avant intérêts et impôts (EBIT).

Faits saillants stratégiques et opérationnels

L'entreprise fonctionne selon un modèle très efficace, entièrement à distance et sans actifs. Le système de gestion de l'information de l'Union européenne (UE) permet de fournir des services 24 heures sur 24 et 7 jours sur 7 et d'avoir une structure de coûts manifestement évolutive. Les principaux indicateurs opérationnels sont les suivants :

- Des antécédents financiers solides : L'entreprise a connu une croissance régulière d'une année sur l'autre au cours des trois dernières années, culminant avec une forte performance en 2024 de 7,5 millions de dollars de revenus et de 4,8 millions de dollars de gains discrétionnaires.
- Un vivier de talents optimisé : Les opérations sont soutenues par une équipe d'entrepreneurs spécialisés, expérimentés et gérés de manière transparente, ce qui garantit la souplesse et minimise les frais fixes de main-d'œuvre.
- Transition stratégique : Le propriétaire actuel, un ingénieur chevronné de la Silicon Valley, s'est engagé à assurer la continuité de l'entreprise et est prêt à passer à un rôle de conseiller stratégique à long terme en tant que directeur de la technologie (CTO) après l'acquisition.
- Une réputation établie sur le marché : Une réputation de confiance pour la réalisation de projets de qualité constitue une base solide pour la croissance organique et l'entrée sur de nouveaux marchés nationaux et internationaux.
- Une clientèle diversifiée : Les recettes actuelles proviennent d'une clientèle stable et verticale, ce qui permet d'atténuer les risques sectoriels :
 - Publicité : 70%
 - Santé : 15%
 - Divertissement : 15%

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
