Exploration minière d'or " Projet Polymétallique d'Oberzeiring"

L'Autriche est un pays très favorable à l'exploitation minière. Le plan des gouvernements autrichiens pour les ressources minérales a même servi de modèle pour une notification de l'UE à ses États membres: "Dans l'UE, le cadre réglementaire doit être structuré de manière à encourager l'approvisionnement en ressources minérales de sources européennes."

- 99 claims accordés près du village d'Oberzeiring sur une superficie totale d'environ 35 km2
- À l'époque médiévale, Oberzeiring était l'une des plus grandes mines d'argent des Alpes orientales avec des teneurs élevées en or, cuivre, plomb et zinc bien connues dans le minerai
- L'inondation des chantiers miniers en 1361 a entraîné la cessation des activités minières et les tentatives au cours des derniers siècles pour assécher la mine se sont avérées infructueuses en raison de la technologie inadéquate disponible à cette époque
- Teneurs enregistrées allant jusqu'à 114 g/t d'or et 4 000 g / t d'argent
- Une centaine de travaux miniers artisanaux ont été trouvés près de la capitale minière médiévale dans la zone de la propriété du projet, qui semblent être associés à de fortes anomalies géophysiques magnétiques et IP
- Minéralisation riche en Au-Ag-Sb-Cu-Zn-Pb-Fe-Barytine, également Ge-Ga-In, classée comme matières premières critiques dans l'UE
- L'échantillonnage de vérification de septembre 2019 associé à la préparation d'un rapport technique NI 43-101 a donné des valeurs allant jusqu'à 6,4 g / t d'or et 384 g / t d'argent
- Le district dans son ensemble n'a jamais fait l'objet de travaux d'exploration modernes ni de programmes complets de forage au diamant.
- De bons contacts avec les autorités locales et les propriétaires fonciers, la reprise des activités minières est la bienvenue dans la région

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
