Entreprise de fabrication de boîtes à outils

Fondée à Izmir, en Turquie, en 1971, l'entreprise se consacre à la fabrication et à la conception de moules pour l'injection de matières plastiques.

Depuis longtemps, l'entreprise s'occupe de la conception et de la fabrication de moules pour de nombreuses entreprises précieuses du pays. Au cours de cette période, la nécessité de disposer d'une machine d'injection en interne pour les essais des moules fabriqués s'est imposée, ce qui a fait de la société un transformateur d'injection en même temps.

En 1990, conception de la première boîte à outils avec la marque déposée. L'entreprise a commencé à devenir un fabricant d'équipements de stockage en plastique. Le design et la marque étaient une première sur le marché national à l'époque.

Après ce démarrage qui a suscité une réaction très positive, l'entreprise a rapidement élargi sa gamme de produits et a commencé à exporter en 1993.

En 2004, l'entreprise s'est installée dans l'usine actuelle et poursuit son objectif d'offrir des produits et des services de qualité à l'échelle mondiale.

L'entreprise a pour objectif de s'équiper des sources nécessaires pour améliorer la qualité et le service.

Depuis 2002, le système est certifié par l'AQA (American Quality Accessories) selon la norme ISO9001:2000.

L'usine est située sur une surface totale de 10 000 m², dont 8 000 m² sont consacrés à la fabrication. Elle est équipée de machines d'injection et de transformation du plastique entièrement automatisées et de haute qualité.
