Entreprise de production de champignons

A vendre, un complexe industriel établi pour la production de produits à base de champignons dans un climat artificiel contrôlé.

Il y a 6 unités et chaque unité peut contenir 20 tonnes de compost. Le cycle de production est de 42 jours, de sorte que la première semaine, la première unité est chargée de 20 tonnes de compost, la deuxième semaine, la deuxième unité et ainsi de suite. À la semaine 7, toutes les unités sont chargées et se trouvent à différents stades du cycle de production. Le cycle de production est achevé dans chaque unité à tour de rôle au fur et à mesure que le processus se poursuit, puis le compost est remplacé. Cette méthode cyclique permet d'optimiser les expéditions (avantage concurrentiel).

Tous les équipements et systèmes coûteux sont en place pour cultiver tous les types de champignons. Du personnel expérimenté est également disponible et des procédures sont mises en place.

Points clés

-La superficie totale du complexe est de 1000 m2 (propriété privée).
– Terrain de 2000 m2 (location pour 49 ans)
– 6 chambres de culture de 250 m2 contenant chacune 20 tonnes de substrat pour champignons et équipées de systèmes efficaces de contrôle climatique automatisé (température, humidité, dioxyde de carbone, irrigation).
– Un refroidisseur rapide et un réfrigérateur d'une capacité de 10 tonnes.
– Propre sous-station pour 150 kW.
– Puits d'eau
– Chaudière à combustible solide de 200 kW, adaptée à l'utilisation de déchets issus de sa propre production.
– Assainissement local.
– Salle à manger, 2 vestiaires, salle de douche, bureau.
– Atelier et unité de comptage de l'eau.

Le vendeur y consacre 2 à 3 heures par jour, 3 à 4 fois par semaine.

Contrairement aux champignons de Paris, la concurrence pour les pleurotes est très faible et il existe une grande marge de manœuvre pour augmenter la production. La popularité des champignons gastronomiques ne cesse de croître, avec 3 à 4 kg par personne en Europe, 6 à 7 kg en Asie et 1 kg par personne en Russie. La production la plus importante est située en Hongrie, avec un volume de production de 2000 tonnes.

MERGERSCORP M&A INTERNATIONAL IS A GLOBAL BRAND OPERATED BY MERGERSUS INC.A US CORPORATION WITH REGISTERED OFFICE
AT 40TH WALL STREET, SUITE #2725, NEW YORK, NEW YORK 10005, UNITED STATES OF AMERICA.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
